

Potential Plus Membership

I'm delighted to announce that as part of our drive to raise standards and ensure all students meet their potential, we have become members of Potential Plus. Further details will be sent directly to parents of our more able students in shortly. Ms Sosin, Assistant Headteacher.

Supporting parents and carers to help their children maximise their potential

Associate Family Membership

Your school is a member of Potential Plus UK, a national not-for-profit organisation supporting the educational, social and emotional needs of children often identified as 'able, gifted and talented' or 'more able' at school.

Your school's membership gives parents and carers of its students free Associate Family Membership. This gives you:

- Resources on the members' area on our website: advice sheets, recorded webinars and activity packs
- Monthly mailings of Focus on Potential with activity ideas for parents and their children, interesting articles for parents and carers, activities for the children to do themselves and a round-up of news and views
- Discounts and early bird booking for our national events
- Access to our Explorers Clubs run locally by volunteers
