Support & Training for School Staff

Measuring Progress

How will the school know how well my child is doing and how will they inform me?

The school places emphasis on informing parents/carers about the progress of their child through reports, parents' evenings and parent access to Sims. Progress is closely tracked as part of the whole school assessment cycle and the school's SEN register and Student Passports are regularly updated with this and any relevant data.

Support & Training for School Staff

Regular training opportunities are offered to all subject teachers in relation to the offer of a highly differentiated curriculum (Quality First teaching). The Teaching Assistants (TAs) are also encouraged to attend training sessions and keep up to date with current practice.
