

Dear Parents/Carers

Firstly, I would like to thank you for your continued support during this very difficult time. I have been extremely impressed at how well the students and staff have adapted to the processes and procedures that we have put in place.

As situations change and government advice changes, we are also adapting some of our plans. The key changes are:

- **Face Masks** – all students need to have their own face mask which will need to be worn in communal areas of the school. Disposable masks will need to be placed in the bins around the school after use. Reusable masks will need to be placed in a clear plastic bag between uses. Masks will need to be plain in colour.
- **School Absence** – if your child has any of the three symptoms of Covid-19, you must keep them at home and get them tested. Guidance was sent out earlier this week and can also be found on our school website.
- **Pick up and Drop off** – Students should arrive at school no more than 10 minute before their start time. When leaving school, students will need to go straight home and not hang around the local area. This is to stop the bubble mixing. Students should not be gathering in the roads around the school prior to starting or after finishing school. If you are collecting your child, please be mindful of the local residents.
- **PE Kit** – If your child has PE, they will need to attend school in their PE kit along with their Blazer. This must be the full school PE kit in line with the school uniform policy. This can be found on the school website.

Thank you for your support with this to help us make the school run smoothly and be the safest it can be for all our school community.

Next week will see the launch of our new School Newsletter. Watch out for this in your inboxes!

Regards

Andrew Parry  
Headteacher
