

Dear Parents/Carers,

Yesterday the Government announced that they were "asking secondary schools and colleges to operate a staggered return supported by full-time remote education during the first week of term with in-person teaching in full starting on January 11." "Students in exam year groups, vulnerable children, children of key workers, will attend school in person from the start of term as well as students in primary, special and alternative provision schools and colleges."

Therefore, students in Year 11 and 13 will return to school on Monday 4th January 2020 as previously announced. Children of key workers can return on Tuesday 5th January at 8:45 and will need to arrive through the main entrance. If you would like your child to attend because you are a key worker please email the school on keyworkers@hylands-tkat.org. We will be contacting other students to invite them to return to school on an individual basis.

We will publish more detailed arrangements for the revised start of term and remote learning on the school website.

Thank you for your continued support and have a very Merry Christmas.
