

Dear Parents/carers,

We want students at Hylands to have access to high quality maths lessons so that they can make excellent progress. In response to feedback from students and their parents, we are offering additional maths sessions for our year 11 students.

We would like to invite your child to attend extra maths support classes. These classes will take place from 14:50 until 15:50 on Wednesday afternoons in room 231 (Higher) and 252 (Foundation). Safety measures will be followed in relation to COVID guidance to ensure that students work in a safe environment. These extra support sessions will be weekly.

There will be a support class for those students sitting the foundation paper as well as for those sitting the higher paper.

These sessions will commence on Wednesday 7th October 2020.

Kind regards,

Mr James Williams

Head of mathematics
