

8th December 2020

Dear Parents/Carers,

We have received a number of complaints from members of our local community concerned about the safety of our students as they use electric scooters on public roads and footpaths. We have also been advised by our schools link Police officer that the use of these scooters on UK roads and pathways is illegal.

In the interest of keeping our students safe and so that we are complaint with the law, I regret to inform you that with immediate effect, we will no longer be allowing electric scooters on school site. I appreciate that this may cause some inconvenience for both our students and you and parents and carers, however, the safety of our students is of the utmost priority.

I would like to thank you in advance for your support regarding this matter.

Yours sincerely,

Mr P Vik
Deputy Head Teacher
