

9th December 2020

Dear Parents/Carers,

We have received a number of complaints from members of our local community concerned about the safety of our students as they use electric scooters on public roads and footpaths. We have also been informed by our schools link Police Officer, that the use of these scooters on UK roads and pathways is illegal.

In order that we are keeping our students safe, and encouraging them to comply with the law, I regret to inform you that with immediate effect, we will no longer allow electric scooters on school site. I appreciate that this may cause some inconvenience, however, the safety of our students is our utmost priority.

I would like to thank you in advance for your support regarding this matter.

Yours faithfully,

Mr P Vik
Deputy Head Teacher
