

14th January 2021

Dear Parent/Carer,

NHS Test and Trace: COVID-19 testing for staff and students

We are working to keep our school as safe as possible. You may have heard that testing for those without coronavirus symptoms is beginning across the country using new, quicker COVID-19 tests known as 'lateral flow tests'.

Along with the other protective measures we are taking, these tests will help staff and students to remain in the school safely. Up to one third of people who have coronavirus experience no symptoms. By testing we will help to stop the virus spread and help to keep our school open as safely as possible. The test is voluntary, but I would encourage everyone to take it.

We will be testing all staff and students who want to participate from week commencing 18th January 2021.

If you are happy for your child to be tested, please complete the consent form by clicking on the link.

<https://forms.gle/uQKaQDg5xSMWMiDi7>

You will need to complete the form online for each.

Those taking the test will be supervised by trained staff. The 'lateral flow' tests are quick and easy using a swab of your nose and throat.

Results (which take around half an hour from testing) will be shared directly with staff and students participating. Where participants are under 16, parents or legal guardians will also be informed. Testing will be offered free of charge.

What if a student tests positive?

Participating staff and students who test positive will be informed about their results individually. Where participants are under 16, parents or legal guardians will also be notified. Guidance on safe travel and additional precautions will be provided along with test results.

Students will need to take a further 'PCR test' (similar to those done in local and regional testing sites) on the same day (or as soon as possible). We will be able to provide these PCR test kits to perform at home or you can go to www.gov.uk/get-coronavirus-test or call 119 to book a follow-up test. If ordering a PCR test yourselves, the student should choose to visit a drive-through test site if possible, as it is faster than requesting a home test.

Hylands School

'The Kemnal Academies Trust is a charitable company limited by guarantee registered in England and Wales under company number 7348231. Its registered address is The Atkins Centre, Kemnal Technology College, Sevenoaks Way, Sidcup, Kent DA14 5AA. Hylands School is a business name used by The Kemnal Academies Trust.'

During this time while they wait for the PCR result (via text/email) they will need to self-isolate.

If the PCR test returns a positive result the student will have to self-isolate and follow the guidance from NHS Test and Trace.

What happens if the test is negative?

They will be able to stay in the school and resume their activities as normal. A student will only be told if they test positive on a 'lateral flow' test, so if you do not hear you can assume it was negative. A small number of students may need to repeat the test if the first test was invalid or void for some reason.

What if a close contact at school/college tests positive?

A close contact of someone in the school who has tested positive for COVID-19 will be able to return to the school if they agree to be tested once a day for 7 days and the test is negative. If they do not want to take the test, they will need to self-isolate as per the national guidelines. This does not apply to household members or close contacts outside of the school who will still need to self-isolate. Further details will be provided at the time, but if you would prefer to self-isolate instead of doing daily testing, you can.

What if my child develops symptoms?

This testing programme is for people with no symptoms. If your child develops symptoms at any time (such as a high temperature; a new, continuous cough; or a loss or change to their sense of smell or taste) they must immediately self-isolate, and book a test by calling 119 (England, Wales and Northern Ireland) or 0300 303 2713 (Scotland) or visiting <https://www.gov.uk/get-coronavirus-test>.

We will support our staff and students throughout, but please contact us if you need this information in any other language or format or if you have any questions. You can contact the office in the usual way.

Yours faithfully,

Mr A Parry
Headteacher
