

Dear Parents/Carers,

I would like to begin by thanking you for your feedback with regard to our school uniform policy (PE Kit) and for all of the support that you have offered as we encourage our students to wear the full Hylands PE kit.

As we approach the winter months and the colder weather begins to creep in, I am conscious of the significant costs and pressures some of our parents and carers may be subject to in purchasing the Hylands jogging bottoms/ leggings to ensure their children are kept warm, especially during such difficult and unprecedented times. As a result, students will temporarily be allowed to wear plain black and unbranded jogging bottoms in place of the Hylands ones until the 28.02.2021 when we will further review our stance on this. Students are not permitted to wear branded jogging bottoms or those of any other colour. Students who have the full Hylands PE kit should continue to wear it as normal.

If parents/ carers are unable to purchase the appropriate kit for PE for any reason, please contact the school office in the first instance and a member of the pastoral team will get back in touch. If students are unable attend in either full Hylands PE kit or in plain black jogging bottoms, they should attend school in their normal school uniform and suitable trainers.

Once again, I thank you for all of your support as we continue to strive to offer our students the very best possible opportunities and experiences so that they can become successful members of the local and wider community.

Sincerely

Mr P Vik
Deputy Head Teacher
