

24TH January 2021

Dear Parents/Carers,

We hope that you and your family first and foremost are all safe and well. It has been a stressful and worrying time for us all and we send our best wishes.

On Thursday 28th January, we were due to hold our second parents evening for Year 11 and their parents. This would have been invaluable as students were approaching the second and final set of mock exams before the run in to the summer series commenced. The government has now announced that the summer exams will no longer take place and that grades will be awarded by teachers in schools.

Whilst we have limited information at this time, we would still like to make contact and share what we do have with you, so we are inviting you to a Virtual Information evening with Ms Sosin (Assistant Headteacher) and I on Thursday 28th January, commencing at 4pm.

This will be a chance for you to ask any questions that you may have, we may not have all the answers at this stage but we will reassure you that your child will receive the grades that they deserve and have worked so hard for.

Due to current restrictions and regulations this will take place in a virtual setting. We will be using the platform Google Meet. If you wish to come to the Virtual Information evening you do not have to register beforehand, please use the google meet link below to access the meeting approximately 10 minutes before the start:

<https://meet.google.com/kqm-vjwg-dww?hs=122&authuser=0>

In order for the meeting to run smoothly we ask you to please ensure that when you log in that the camera and microphone on your device are turned off or muted. Should you not have the technology available, a copy of the presentation will be placed on the school website the day after the event.

If you have any questions prior to the evening please do not hesitate to contact me via email daniel.hawkins@hylands-tkat.org

Kind regards,

Mr Hawkins
