

March 2021

Dear Parent/Carer

We are delighted that your son/daughter will be joining Hylands School from September 2021. We would like to take this opportunity to welcome you as a member of our community and let you know how excited we are to be a part of their journey. At Hylands we take great pride in providing the very best education, experiences, opportunities and support to ensure our students are able to achieve their full potential, not just academically, but personally as well. This is more important now than it has ever been before. We do not underestimate the challenges that our students have faced and will continue to face as a result of the Covid-19 Pandemic. We wish to assure you that we that we are doing everything in our power to overcome the barriers the pandemic has created and to ensure the safety of our community. Moving to secondary school is an exciting time in a child's life and should be seen as an opportunity to develop the necessary skills to be successful both at our school and in their future career paths. We are currently planning our transition programme to make your child's journey from year 6 into year 7 a valuable and positive experience that enables them to have a happy and settled start at our school. Our transition programme also aims to set them up for their time at Hylands and what it means to be a Hylands student. We sincerely hope that we will be able to deliver this transition programme in person and the details surrounding this will be communicated with you in due course.

Your child's first day at Hylands School will be Friday 3rd September, 8.30am to 3.00pm. Year 7 (alongside the 6th form) will have the comfort of being the only year group in school on this day so that they can adjust to their new surroundings.

We look forward to what will be a long and successful partnership with both your child and yourselves as parents/carers. By working together, we will ensure your child will get the most from their time at Hylands School and beyond. Please look under 'News' on our website, which will give you a taste of the varied experiences on offer at Hylands School. We also look forward to meeting you all over the coming months and will be in contact with specific details of the planned events nearer the time.

Hylands School

Chelmsford Rd, Writtle,
