

Year 10 Mocks

Dear Parents/Carers

I would like to take this opportunity to thank you for your ongoing support during what has been a challenging year. Before our students sign off for a well-deserved summer holiday year 10 are to sit their mock GCSE exams. The exams commence on Tuesday the 22nd June for two weeks as directed by the mock timetable below.

As a school we are encouraging all students to revise for these exams as a way to consolidate what they have learnt during their GCSE course so far. The year 10 mock exams are an extremely important part of the GCSE process, they will allow us as a school to establish our student's current level and put specific actions in place to allow all students to reach their full potential.

Last week Year 10 were given a comprehensive roadshow on revision methods and techniques as well as advice and time to plan their own revision timetable whilst also being mindful of their own mental health. Between now and their final exams next year, year 10 will receive vast amounts of support in all aspects of GCSE life in order for them to be successful.

Before the end of the school year, you will receive a school report for your child. This report will provide you with feedback on their attitude to learning, mock grades and predicted outcome grades.

In preparation for September, I will be hosting a Virtual Information Evening Wednesday 7th July 2021. This will be an opportunity for me to share with you key strategies we are using as a school and also give advice on how to help support your child during their final year at KS4.

If you have any concerns prior to the information evening or release of the end of year report, please do not hesitate to contact your child's tutor.

We look forward to working with you closely during the next year

Kind regards

Mr W Bayston

Head of Years 9 & 10
