

8th June 2021

Dear Parent/Carer

I am delighted that your child has expressed a strong interest in attending Hylands Sixth Form in September 2021. As part of our induction programme I would like to invite your child to attend our Sixth Form Induction days on Wednesday 7th July and Thursday 8th July.

On Wednesday 7th, the day will run from 9.00am until 3.00pm. The day will be engaging and thought provoking and it is intended to help the students to have a successful transition from Year 11 into Year 12. I will be sharing important information, discussing our expectations, highlighting how the Sixth Form differs from Year 11, and the students will be given subject specific information including the work to be completed over the summer to fully prepare them for their next level of study. Students will also have the opportunity to discuss their option choices, our entry requirements and the enrolment process on GCSE results day.

Lunch will be provided during the day, but your child can bring in a packed lunch and water if they would prefer. Students should wear casual/sporty clothes that they would be happy to wear for the team building activities.

On Thursday 8th, we are running a trip for all of our future Year 12 students to 'Nuclear Races', an award winning muddy obstacle course in Brentwood. The intention for this day is to have fun, work as a team and share in a fantastic experience. For more information about Nuclear Races please look at their website <https://nuclear-races.co.uk/>

The charge for Nuclear Races is £24. To keep the price at this level, we would like to meet your child at the activity centre at 10am and then would require your child to be collected at 1.30pm. To book your child's place on the Nuclear trip please pay through Parent Pay by Friday 18th June 2021. If your child has trouble getting to the venue, please let me know and final arrangements will be sent out after 18th June 2021.

I really hope that your child is able to attend both of our induction days as our aim is to welcome and prepare your child for studying Level 3 courses at Hylands Sixth Form.

To confirm if your child is able to attend the Induction days please email the school at hylandsoffice@hylands-tkat.org with the subject heading **Sixth Form Induction 2021** by Thursday 17th June.

Kind regards

Mr Hewlett
Head of Sixth
