

16<sup>th</sup> September 2021

Dear Parent/Carer

On 29<sup>th</sup> June 2021 we had a monitoring visit from Ofsted. The purpose of this visit was to ensure that we are taking effective action to become a good school.

I am pleased to say that Ofsted agreed that we are on track with our developments. In particular they have highlighted our focus on reading, ensuring that students can access all areas of the curriculum and extend their understanding. We have also increased the level of challenge in our curriculum, consequently raising aspiration. It also identifies our drive for improving our SEND provision by recognising our ambition for all students.

Please find attached the full report, which will be published on Ofsted's website next week.

Yours faithfully

Mr A Parry  
Headteacher
